

HOW TO FIND THE SPRINGFIELD CONSERVATION NATURE CENTER

In Springfield from Glenstone Avenue

Follow Glenstone Avenue south **across** James River Freeway (US-60). Stay in the left lane and turn **left** on Glenstone Avenue (outer road). The road dead ends at the nature center entrance. (Watch for large brown directional signs.)

From east of Springfield on US-60 (James River Freeway)

Take the Glenstone Avenue exit. Turn left at the top of the off ramp at the stoplight. Stay in the left lane and turn left on Glenstone Avenue (outer road). The road dead ends at the nature center entrance. (Watch for large brown directional signs.)

From west of Springfield on US-60 (James River Freeway)

Go east on US-60 to the Glenstone Avenue exit. After exiting, turn left on Republic Road at the stoplight. Turn right on Glenstone Avenue (outer road). The road dead ends at the nature center entrance. (Watch for large brown directional signs.)

From US-65 (either direction)

Take the US-60 west exit. Take the Glenstone Avenue exit (first exit). Turn left at the top of the off ramp at the stoplight. Stay in the left lane and turn left on Glenstone Avenue (outer road). The road dead ends at the nature center entrance. (Watch for large brown directional signs.)

From west of Springfield on I-44

Go east on I-44 to James River Freeway exit which turns into US-60. Continue east on US-60 to the Glenstone Avenue exit. After exiting, turn left on Republic Road at the stoplight. Turn right on Glenstone Avenue (outer road). The road dead ends at the nature center entrance. (Watch for large brown directional signs.)
